<b>Packaging</b>	New food grade bags		
<b>Labelling Format</b>	Printed details on bag with line number, product name, batch number, country of origin and weight		
<b>Shelf Life</b>	Product will retain quality for two years from packaging date if stored in appropriate controlled storage. Natural deterioration occurs whilst in storage. Colour varies over time		
<b>Optimal Storage Conditions</b>	Store in a cool, dry area, away from direct sunlight, at less than 20 degrees celcius, and less than 65% relative humidity		
<b>Applicable Quality Certifications</b>	Bean Growers: BRC, HACCP, ISO 9001:2015 TFB Trading: HACCP		

#### Guidance on use of information:

The information in this specification should be taken as a guide only. Values can vary with variety, conditions of growth and age of the product when used. We have taken a reasonable effort to ensure that the information is true and accurate at time of writing

#### Intended Use:

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufacturers and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e. further cleaning/rinsing/cooking prior to consumption)
