	Energy		1430		kj	
	Fat		1.5		g	
	Carbohydrates		62.4		g	
	Dietary Fibre		15.5		g	
	Sugars		2.2		g	
	Protein		21.5		g	
	Sodium		5		mg	
	Potassium		1483		mg	
	Additional Nutrients Source: Pulse Canada and USDA National Nutrient Database	Vitamins and Minerals per 100g				
Zinc		3.6	mg	Phosphorus	352	mg
Iron		5	mg	Magnesium	171	mg
Calcium		123	mg			
Allergens	Soy and wheat are present in some grower fields and may be used as a rotating crop. Pulses are dry cleaned prior to shipment but trace amounts may still be present. AGT Foods Canada cannot guarantee that their products are 100% free from traces of wheat or soybeans					
GMO Status	GMO Free - Document available upon request					
Chemical & Pesticide Residues	Levels conform within the maximum levels as specified under CODEX and the Australian Food Standards Code					
Claims & Certifications	Halal - Inherently Suitable Kosher - Inherently Suitable					
Packaging	25kg net weighted new polypropylene bags					
Labelling Format	Printed details on a bag with name of product, net weight, pack date, best before date and line number					
Shelf Life	2 years from packing date if kept in optimal storage conditions					
Optimal Storage Conditions	Recommended to be stored under conditions not exceeding 25 degrees Celsius and with less than 65 % relative humidity					
Applicable Quality Certifications	TFB Trading: HACCP AGT Canada: FSSC 22000					

Guidance on use of information:

The information in this specification should be taken as a guide only. Values can vary with variety, conditions of growth and age of the product when used. We have taken a reasonable effort to ensure that the information is true and accurate at time of writing.

Intended Use:

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufacturers and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e. further cleaning/rinsing/cooking prior to consumption)

Please note: This specification is awaiting final approval by the supplier
