GMO Status	GMO Free. Document available upon request		
Chemical & Pesticide Residues	No pesticide residues or toxins above prescribed levels. Meets international standards		
Claims & Certifications	Halal – Certified Kosher – Inherently Suitable		
Packaging	25kg net weighted new polypropylene bags		
Labelling Format	Printed details on bag with name of product, net weight, pack date, best before date and line number		
Shelf Life	2 years from packing date if kept in optimal storage conditions		
Optimal Storage Conditions	Keep cool and dry: 10 – 25 degrees Celsius. < 14% moisture		
Applicable Quality Certifications	Hensall: HACCP TFB Trading: HACCP		

Guidance on use of information:

The information in this specification should be taken as a guide only. Values can vary with variety, conditions of growth and age of the product when used. We have taken a reasonable effort to ensure that the information is true and accurate at time of writing

Intended Use:

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufacturers and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e. further cleaning/rinsing/cooking prior to consumption)

Please note: This specification is awaiting final approval by the supplier
