Packaging	25kg net weighted new polypropylene bags		
Labelling Format	Bag tag with name of product, net weight, pack date, best before date and line number		
Shelf Life	2 years from pack date if kept in optimal storage conditions		
Optimal Storage Conditions	Keep cool and dry: 10 – 25 degrees Celsius. < 14% Moisture		
Applicable Quality Certifications	TFB Trading: HACCP AGT Foods Australia: HACCP		

Guidance on use of information: This documentation does not supersede the GTA standard CSP 4.3.2

Intended Use:

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufacturers and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e. further cleaning/rinsing/cooking prior to consumption)

Please note: Awaiting specification approval from supplier
